- **INTERNATIONAL BUSINESS DEVELOPMENT** – Strategic guidance and local expertise for seamless global expansion.

Local Presence

We combine local expertise with global perspective.

We have a **local presence** in the following countries: Brazil, Canada, Chile, Colombia, Costa Rica, Ecuador, Hong Kong, Mexico, Perú and Uruguay.

In addition to our local presence, we have a **robust network with strategic partners** that allows us to operate confidently across Latin America and the Caribbean, Europe, Asia, and Africa.

We operate in key markets, with local knowledge and international coverage — ***connecting companies to borderless talent***.

RECRUITMENT SERVICES

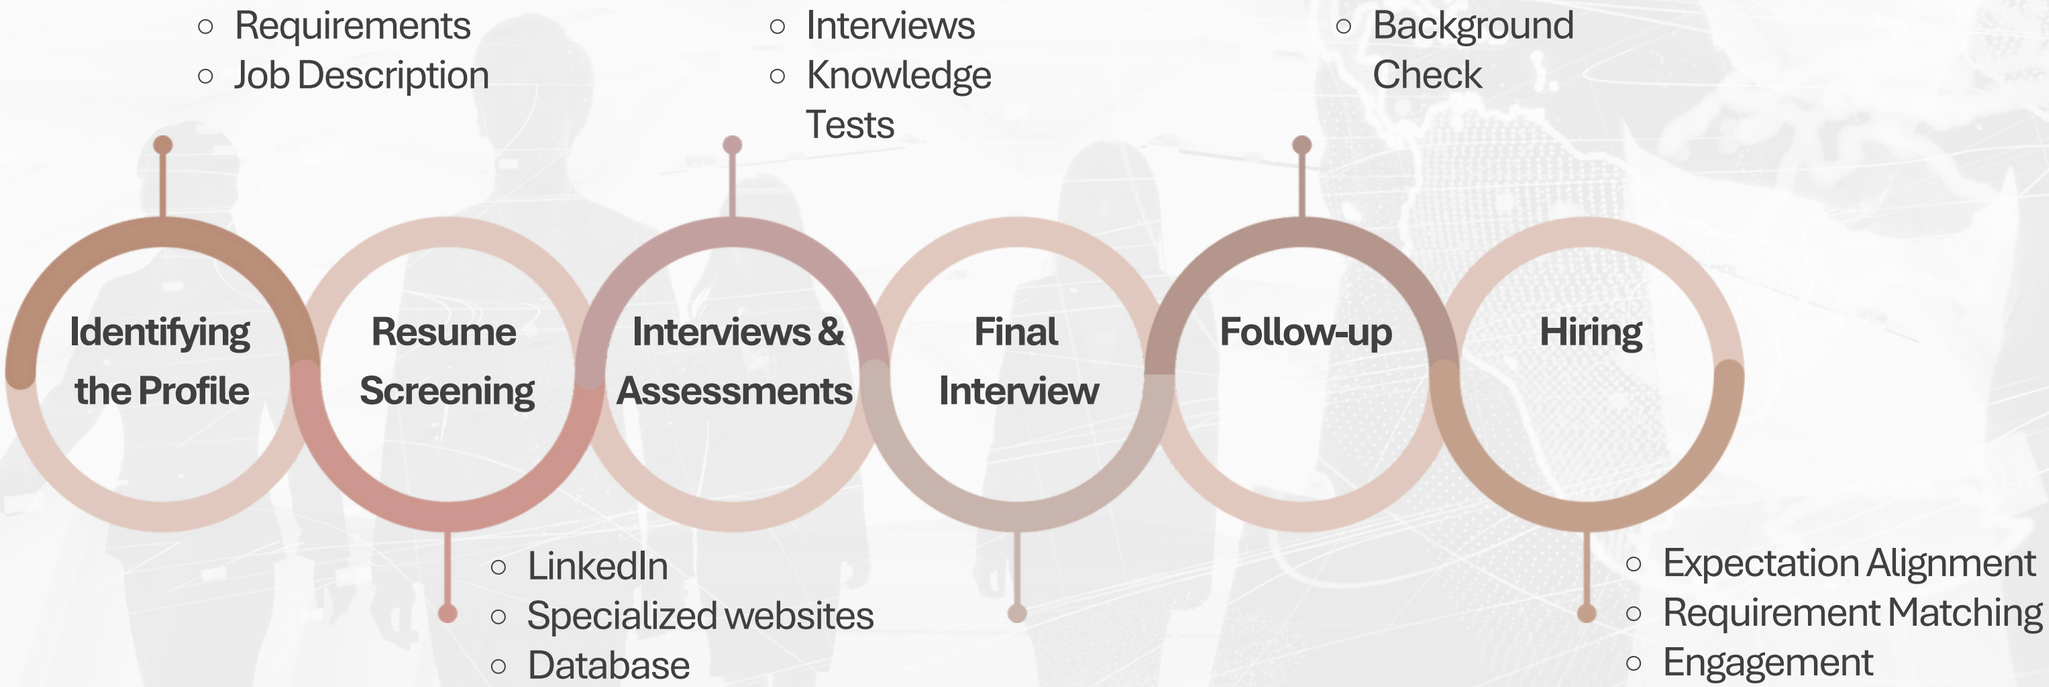

Recruitment is more than just filling vacancies, it’s a strategic function that fuels growth, drives productivity, fosters innovation, and enhances financial performance.

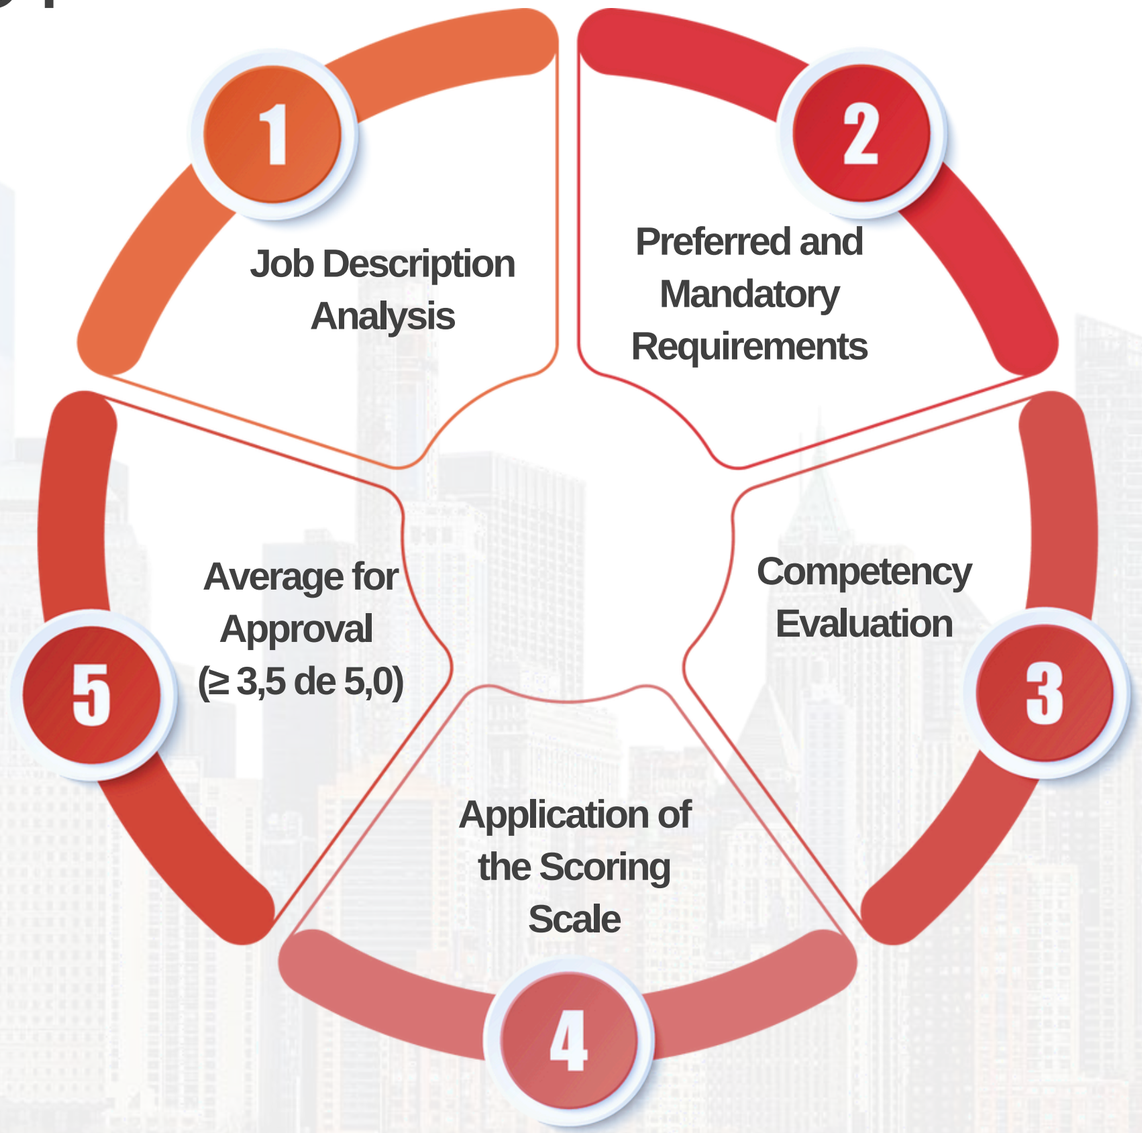

In today’s competitive landscape, characterized by talent shortages, evolving workforce expectations, and increasing diversity, your success depends on attracting and selecting the right people.

Our mission is to identify talent that not only meets the technical requirements of the role but also aligns with your company’s culture and the core values of the country in which you operate.

Our efficient approach ensures a **precise match between candidates and job openings, helping reduce turnover and maximize your return on investment.**

METHODOLOGY

INTERMEDIANO'S KEY DIFFERENTIATORS

KEY ADVANTAGES OF RECRUITING WITH INTERMEDIANO

- Access to Proven Methodologies.
- Agility in Filling Vacancies.
- Knowledge of the Market and Local Context.
- Reduced Costs from Hiring Errors.
- Greater Confidentiality and Neutrality.

COMMON CASES OF OUTSOURCING R&S

- Expansion into New Markets or Countries.
- Opening of New Units, Branches, or Operational Plants
- Recruitment of Strategic Positions.
- Difficulty Finding Specialized Talent.
- Lack of Time or Internal Structure for Recruitment.
- Temporary or Seasonal Projects.
- Recruitment of Confidential Positions.
- Need for Standardization in Global Processes.

INTERCULTURAL BEHAVIOR MATRIX

Each country is positioned according to the predominant communication style in its cultural and professional customs.

Understanding cultural styles (linear-active, multi-active, and reactive) **transforms the approach** to international recruitment and selection because it:

- Prevents misinterpretation of attitudes and behaviors.
- Improves communication with candidates from different countries.
- Helps identify the most suitable profile for each position and organizational culture.
- Strengthens the company's positioning as global and inclusive.
- Facilitates onboarding and integration within multicultural teams.

Recruiting globally requires more than just speaking English — it demands cultural intelligence.
